---

Greetings.

For students who are taking summer and/or fall classes on a HACC campus, please remember the following [guidelines](#):

- Bring your mask with you to campus. Cloth masks should be washed daily.
- Continue [self-screening](#) (pdf) each day. Although HACC is no longer providing wellness screening for you, it is important to evaluate how you feel.
- Note that if you are feeling any symptoms of COVID-19 or have had a fever over 100.4 degrees within 48 hours prior to coming to campus, **please DO NOT come to campus**. Please notify the College by emailing [corona@hacc.edu](mailto:corona@hacc.edu). Describe whether you tested positive, have symptoms or have been in contact with someone who has tested positive. Contact is defined as within 6 feet for 15 minutes or more.

Let's continue to keep everyone's safety a priority.

As you have come to expect, following are the commonly asked questions and our responses to them. Please note that some of these responses are tentative and subject to change.

If you have additional questions and you do not see the answers on the [website](#), please submit the online form located on the website. Please see the webpage section called "Information for Students."

We will continue to update you regularly via email and the aforementioned website.

*Thank you!*
