In other good news, [HACC loaned ventilators](#) to two health systems in our region to help meet an anticipated shortage of this vital equipment. Thanks to many HACC Heroes among us, we are finding ways to give back to the community that has supported us for decades.

As you have come to expect, following are the commonly asked questions and our responses to them. Please note that some of these responses are tentative and subject to change.

If you have additional questions and you do not see the answers on the website, please submit the online form located on the website. Please see the webpage section called "[Information for Employees](#)." If you would like to see the information being communicated to students, please see the webpage called "[Information for Students](#)."

I heard that Lancaster Academy, which rents space at the Lancaster Campus, will be allowed to resume operations in April. How will this impact employees? Will employees be able to return to campus at that time as well?

The Lancaster County Academy (LCA) has been informed that HACC campuses will be closed until May 18, 2020. LCA follows the direction of the governor, who made the decision that all schools in Pennsylvania will remain closed until further notice.
