Date: Tuesday, July 21, 2020 4:06:05 PM

Greetings!

We launched the [HACC Heroes Series](#) in the spring to highlight the work of HACC students, employees and others in our community who are making a difference during the pandemic. So many inspiring stories have surfaced, and we are confident that there are more! If you know of someone who deserves to be recognized as a HACC Hero, please [use our online form](#) to share their name, email and a brief description of why they should be highlighted. Thank you to all the heroes who make us #HACCproud.

As you have come to expect, following are the commonly asked questions and our responses to them. Please note that some of these responses are tentative and subject to change.

If you have additional questions and you do not see the answers on the [website](#), please submit the online form located on the website. Please see the webpage section called "Information for Students."

We will continue to update you regularly via email and the aforementioned website.

Thank you!

I'm concerned about my finances, but I need a vehicle. Where can I get helpful tips for this big purchase?

Deciding to buy or lease a car is a big decision. The webinar, "[Auto Buying vs. Leasing](#)," by PSECU reviews the similarities and differences between buying and leasing a car and how to determine your best option.
