

PHI THETA KAPPA

at Lebanon Valley College

At Lebanon Valley College we recognize a student's hard work in and out of the classroom. Therefore, students who earn Phi Theta Kappa distinction at a two year college or community college are automatically bestowed LVC's Board of Trustees Scholarship—our most generous academic recognition merit scholarship.

The Board of Trustees merit scholarship is awarded to accepted full-time transfer students and is a renewable, **\$23,000 annual scholarship** toward the completion of the student's bachelor's degree.

Early planning is the key to ensuring a smooth transition. I encourage you to visit www.lvc.edu/transfer to learn how easy it is to transfer to LVC. I also invite you to apply online to one of Lebanon Valley College's prestigious academic programs.

Questions? Please contact Roberto Marti '07, coordinator of transfer recruitment, at 1-866-LVC-4ADM (toll-free) or marti@lvc.edu.
